

Swill Bar

The Exchange Hotel's 140 years of history can be enjoyed in every corner of the venue, with Swill Bar no exception.

The name "Swill" comes from Newcastle's pub history involving "The Six O'Clock Swill." During the 60s all pubs were required to close at 6pm, resulting in an influx of customers desperate for a drink after a hard day's work before the six o'clock cut off.

This rush came to be known as "The Six O'Clock Swill."

Today we respect our Newcastle history by having a swill in Swill Bar.
